SAP Concur Knowledge Base

Knowledge and answers at your fingertips

WHAT IS THE KNOWLEDGE BASE?
The SAP Concur Knowledge Base is a centralized, organized collection of informative articles about our products and services. Through the Knowledge Base you can search and explore answers, cases, training, technical publications, and participate in the SAP Community.

**Find your answers** in less time than it takes to make a cup of coffee!

HOW CAN IT HELP ME?
- **Self-service**: Resolve your problem without having to call or open a ticket
- **Save time**: Find answers to your questions at the click of a button
- **Build knowledge**: Explore resources and training materials
- **Learn in your language**: English, Chinese (Simplified), French, German, Italian, Japanese, Korean, Portuguese (Brazilian), and Spanish

HOW DO I ACCESS IT?
It's simple! To gain access:
1. Log in to your SAP Concur account
2. Click **Support** in the upper right corner or go to **Help** > **Contact Support**
3. Type a question into the **Ask us anything** box
